

Life of Riley Catamaran

For a relaxing, fun day on the water you can't beat The Life Of Riley. She can sail on the lightest of breezes, and there's nothing like the peace you feel when the sails fill and the engines switch off. No other boat will bring you closer to the water, or closer to the land, as the Life Of Riley's shallow draft means that we can get closer to the beach than any other charter boat. Unlike traditional sail boats, because of the extensive trampoline deck, The Life Of Riley is incredibly comfortable. It's a dream boat for sunbathers, with room for at least 10 to lie flat. Fact: you tan 3 times faster at sea!
